MATILDA NIEVES

D.O Ribeira Sacra

100% Mencía

About it

Made with grapes of the Mencía variety from the D.O. Ribeira Sacra where its vineyards produce this precious treasure. Nice cherry color with violet trim. It has a spectacular fruit flavor and an original presence of slate mineral and spicy and toasted notes.

This cherry red wine with violet trim has notes of blackberry and licorice, in perfect harmony. In the mouth, its balance stands out with soft touches of tannin, providing a persistent finish that lasts and invites you to continue testing.

It is delicious, well structured, it passes smoothly and its fleshy tannin gently covers the palate.

Did you know...

For a time it was thought to be a variety originating from the Cabernet Franc, but it was finally discovered that it was a variety originating in Spain.

TASTING NOTES

A pleasure for the senses

On the nose, it is a pure expression of Mencía, red fruits such as blackberries and raspberries with floral notes of violet and hints of toffee caramel and licorice.
